1. Transfer of Copyright

I, the undersigned author of the article, allow its publication in the journal *Res novae: Journal for Integrated Science* and do hereby transfer to the Faculty of Law and Economics all exploitation rights, including:

- Right of reproduction, including the right to be stored in electronic form, audio or video recording (Art. 23 of the Slovene Copyright and Related Rights Act);
- Right of distribution (Art. 24);
- Right of public broadcasting with audio or video recordings (Art. 28);
- Right to make available to the public, exclusively in original form (Art. 32.a).

The transfer of rights applies to the article itself, as well as to all additional material (images, sketches, maps, graphs, tables, etc.) that is submitted as part of the article or as its supplement. The transfer is free of charge and unlimited in space and time, valid for unlimited editions, for use in all formats and media. Further, I confirm that I have obtained all necessary permissions for previously published content, figures, tables or any other material in printed or electronic format from the relevant copyright holder(s).

I, the undersigned, authorize the editors of the journal *Res novae* and the Faculty of Law and Economics to make the article available to the public under conditions that allow users to freely share and build upon the published text, regardless of the format of the medium, but only under the condition that the authorship of the work is appropriately attributed (i.e., under the terms of the Creative Commons CC BY 4.0 licence).

2. Authorship statement

I, the undersigned (co)author, declare that the article is original and unpublished and that it has been written by the undersigned (co)author. I guarantee that the contribution does not infringe

the copyright and other rights of third parties. I have obtained permission from the rights holders to use all copyrighted works or their excerpts included in the article, and I have also indicated their source and authorship. I assume all responsibility for any damage caused to third parties by publishing the content.
